

# GENEALOGICAL SOCIETY OF ROCKLAND CO. NEWSLETTER

VOL.1 NO.2

JUNE 1986

## TITLE/LOGO SEARCH

### PRESIDENT'S MESSAGE

Thanks to the support and suggestions of members near and far, and the efforts of committee chairmen and officers, the first year of the BSRC has come to a successful conclusion with the June meeting. We are looking forward to the beginning of our second year on Sept. 23, with some very interesting and informative programs arranged for by Patricia Kerner, V.P. and Program Chairman.

In response to a questionnaire presented at the June meeting, we will begin a series of workshops to be incorporated into our regular meetings. These workshops will help us all solve our genealogical problems! The first workshop will deal with immigration and naturalization. Your input will be greatly appreciated. Many of the out of state members have commented on the past programs and asked about taping or recording them. We have not done so, but we will consider the suggestion, and ideas for presentation to the membership at large.

Have a good summer, and please join us as often as possible during the forthcoming year.

-Marie Koestler

Four prospective titles were submitted by members in response to the article in our last newsletter. A vote of the membership present at the May meeting overwhelmingly favored the title "Genealogical Society of Rockland Co. Newsletter". This title was proposed by member Leslie Baisley, and so we name him the winner of our title contest. Leslie will be awarded four bonus queries in the newsletter. He proposed this "no nonsense" title because he felt it most clearly explained the contents of the newsletter, and that it would cause the newsletter to be filed in the most accessible manner in libraries, etc. Obviously, most of those present agreed with him, and so our title is official.

We are now canvassing our readers for suggestions and sketches of a logo that might be used on the newsletter, and eventually letterhead as well. The logo should have some recognizable connection to the Society, and should be relatively easy to reproduce. As with the title contest, any entries will be presented for a membership vote at an upcoming meeting. The artist with the winning entry will also be awarded four bonus newsletter queries. Please submit entries to C. Adams.

## SURNAME INDEX PROJECT

The first edition of our surname index was printed in May and has been distributed to many of our members. Those members who have not received a copy should expect one in the near future. Several readers reported successful "connections" as a result of this first index. All members are invited to submit up to 15 surnames for inclusion in our surname directory. This index will be available to all members, and updated annually. The index is sorted not only alphabetically, but also by places and time periods. This will allow members who are interested in a particular locale to join efforts, even though they may not be working on the same family.

Please submit surnames in this format on an index card:

MEMBER NAME  
ADDRESS  
PHONE

SURNAME YEARS OF INTEREST

STATE, CITY (OR COUNTRY)

Once the society is well established, this index will only be published on an annual basis, probably in October or November. The index is expensive to mail, time-consuming to prepare, and the content does not require frequent editing. However, since new members are being added at such a rate, we will publish another 1986 version, probably in late October. Any surname information received after September 15, 1986 will not be published until late 1987.

If you wish to revise or add to cards already submitted, please do so by September 15. Please note your cards as "REVISION" or "ADDITIONS". If you submitted surnames before the last publication deadline, and your information does not appear in the May index, please notify C. Adams.

## UPDATE ON LONG-TERM PROJECTS

-Committee to index "South of the Mountains" is planning a meeting over the summer to assess progress.

-Jo Anne Oldenberger will complete the Town Clerk survey project, and compile a report.

-Committee to record all printed genealogies and other source materials of genealogical interest to be found in local libraries is continuing their work. Several new volunteers were added to this committee at the June meeting.

If there is a committee on which you would like to serve, please contact the chairperson or Pat Kerner for further information. -P.K.

WE'RE GROWING !!!

As you can see by the list of new members in this edition, our society membership is growing by leaps and bounds.

All prospective members whose dues are received by Sept. 1, 1986 will be Charter Members of the GENEALOGICAL SOCIETY OF ROCKLAND CO.

If you have an interest in genealogy and the preservation of records pertaining to genealogy, please clip the coupon and send with your check or money order to:

Leslie Baisley makes the following request on behalf of the Research Committee:

When requesting information or research, please supply as much information as possible. The better the information, the better your chances of a helpful reply will be.

The Committee gets requests for specific information, such as documentation of a marriage, with no approximate dates, and no locations.

Please help us to use our available time and resources wisely.

In this issue, we begin publication of the Index of Obituary Notices published in Rockland County Newspapers.

These notices were collected by Daniel De Noyelles, Sr., Historian of the Town of Haverstraw. The indexes were compiled by Marie Koestler, Genealogy Researcher for the HSRC.

The notices are on file in the library at the Historical Society, and may be viewed by permission of the librarian. The complete index is also available there.

There are more than 1500 notices, and so publication will be in several successive issues of the newsletter. We believe that the publication of previously unavailable information such as this is in perfect keeping with the aims and goals of the GSRC, and therefore justifies the additional size of the newsletter, and the additional postage. In some cases, I have found it necessary to abbreviate the listings slightly, in order to fit the newsletter format.

# ~~~~~ GERMAN EMIGRATION SOURCE

According to an article published  
in The (Bergen) Record Aug. 4, 1985;  
the city of Hamburg, West Germany  
is working to establish itself as  
an authority on 19th century  
German emigration.

This north German port city's  
tourism division has established  
the Historic Emigration Office in  
hopes of attracting American  
tourists to Hamburg.

Hamburg possesses the only surviving German ship records of the mass wave of 19th-century emigrations by Germans and other Europeans.

The Historic Emigration Office is located at the Hamburg History Museum. It uses 274 microfilms supplied by the state archives of the original passenger lists for the 1850-1914 and 1919-1926 periods. The lists contain five million names.

In addition to servicing visitors to the Museum, the office has handled thousands of mail requests for research assistance.

As of 1985 the charge was 75 marks (about \$30) for each year searched. The exact year of emigration facilitates a successful search.

There are some other research problems frequently encountered by the searcher. Common names are a real problem. It is often difficult to establish a definite connection to the right Schmidt, Mueller, etc.

Also, many Germans emigrated from Bremen, Le Havre, Antwerp or Rotterdam. These records only pertain to departures from Hamburg.

The records are arranged only approximately in alphabetical order, and so very careful searching is required.

Even with these problems, the co-director of the office, Michael Vogel states that if a person can supply the exact year that an ancestor left, the success rate for the search is approximately 30%.

It is important to remember that many non-Germans departed from Hamburg, and so this office may provide assistance in tracking non-German ancestors as well. For example, 2.3 million Jews used Hamburg to emigrate from Eastern Europe between 1885 and 1938.

No exact mailing address was given, but the following should be sufficient:

#### IRISH-AMERICAN HISTORICAL SOCIETY

(from an article in Good Housekeeping Magazine, Nov., 1985)

The first floor of a five-story, Georgian-style mansion, located opposite the Metropolitan Museum of Art, houses a 22,000 volume library devoted to Irish subjects. One room is used primarily for researching genealogy; the famous Bedell Bible, published in the seventeenth century, and a facsimile edition of the Book of Kells are also part of the Irish collection.

Founded in 1897 to "place the Irish element in its true light in American history and to secure its perspective in relation to historic events on this soil..."

"One of our new members is from

for tracing German and European  
ancestry. She says they can  
handle a wide variety of genea-

## WEST VIRGINIA CIVIL WAR VETERANS

The state of West Virginia is reportedly awarding medals for West Virginia Civil War veterans.

Descendants of West Virginia veterans who wish to claim a medal must submit genealogical documentation such as military, census or marriage records; and then wait six months for the claim to be verified.

The medals are awarded in three classes for soldiers honorably discharged, those killed in battle, and those who died of wounds or diseases.

For more information, or to submit a request, write:

Archives and History Division  
Department of Culture & History

## BOOKS

The Consumer Education Research Center, a national non-profit consumer group, has published a book entitled Guide to Locating Vital Documents. It contains a state-by-state listing of the addresses and telephone numbers of where each record can be found, the cost of a copy of the document and sample form letters containing all the information needed to get these and other vital documents. For those whose records are in foreign countries there are instructions on where to write for birth and death records of U.S. citizens as well as birth records for alien children adopted by U.S. citizens.

Robert L. Berko, executive director of CERC, says that originally the book was published to satisfy the need of persons applying for various benefits, but many others have found it useful.

To obtain a copy of this useful book, send \$4.00 to CERC, Documents, 439 Clark St., South Orange, N.J. 07079.
