

# GENEALOGICAL SOCIETY OF ROCKLAND COUNTY NEWSLETTER

VOLUME TWO  
NUMBER FOUR  
DECEMBER 31, 1987  
ROCKLAND CO, N.Y.

## PRESIDENT'S MESSAGE

In response to requests from out-of-state members, and those who have been unable to attend meetings, a resume will be presented in each newsletter of past meetings and of those held at other locations, that would be of interest to the membership. No particular order will be followed, so if you have a request for a particular meeting, please let us know.

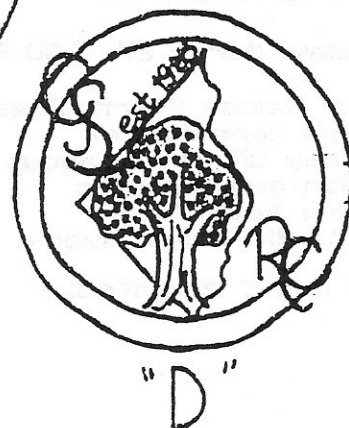

In this issue, we will begin with the meetings of December 17, 1985 with the Deputy County Clerk, and follow-up with the meeting held at the Clerk's Office on October 26, 1987. I hope that whese resumes will satisfactorily answer your requests; if not, write again.

This year Pat Kerner has done an exceptional job of planning programs that are of interest to those far and near. As you know, Pat has had to resume the office of Vice President when the newly-elected Vice President had to resign due to new employment commitments. Your suggestions for future programs would be most helpful to Pat; one does run out of ideas!

As you read in the last newsletter, our Editor, Christine Adams, is also in dire need of someone to take over the newsletter, or at least for everyone to help supply her with information to print. How about interesting experiences connected with research; a series of Bible records of members; any indexes that you have that would be of interest to everyone? Perhaps write-ups of meetings that you have attended in your part of the country that might help those of us who now find ourselves living on the East Coast instead of the Mid-West, North, South, or West? Everyone has something of interest to tell, so please write to Chris and give her those suggestions or write-ups. Without a newsletter, our life to you will be severed.

## SOCIETY LOGO...

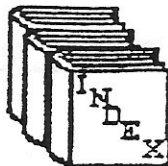

We would like to publish our first 1988 newsletter with a new headline, complete with logo. I am reproducing several possibilities here. If you would like a voice in choosing the logos, and will not be able to attend the March meeting, you can mail back the special edition of the membership application in this issue.

## LETTERS FROM MEMBERS

FROM MRS. HELEN  
(ALBERT) NUESSELS,  
HATBORO, PA -

... When I started my research, my son said I was getting "senile if I believed all my grandfather had told me". Well, I went to Stony Point to prove him wrong. With the help of Lucien Conklin, supervisor in Stony Point, I found my valley, my baptismal pool and my mine. (ed.'s note: Mrs. Nuessels' grandfather, George Alpheus Rose, had told her of these sites, used in the ministry of her great grandfather, Jacob Rose.) He (Lucien Conklin) had played in that valley and he knew the stories about my Jacob and Hannah. We met several other families who knew the reputation of "Shoutin' Jake" as he was known back then. I had heard he preached in the Methodist Creek Church but when I searched church records they did not have him listed even as guest preacher. It was not until shortly before his death that I met James Rose, a distant relative in his 90's, who told me that "Shoutin' Jake" did preach at the Creek Church, but it was an evangelical service in the evening when the church was not being used by the regular Methodist congregation. This type of information showing up at odd times has given me courage to believe that if the Good Lord gives me time, I will find everyone I am looking for...

...I spent over 6 years trying to find my maternal grandmother's grave, she died in 1894 at the age of 34, so my mother who was eight years old barely remembered her. We did not start our research until mother had died, and we could not ask her questions. So I made three trips to Macopin New Jersey to see what I could learn, same old story, the church had lost its records during the Bi-Centennial when someone took them to write up church history, several old people who "might" remember had just died, and several other setbacks. But I don't give up easily and finally located Mr. Hirsch, the Historian, who came up with my grandmother in his back yard!! He had purchased a large piece of land several years ago and found an abandoned cemetery and a small abandoned church in his back yard. So finally I had found Jennie Rhinesmith Rose, we went up, (cont. on next page)

# LETTERS CONT.

MRS. HELEN NUESSELS,  
CONT.

to the little overgrown cemetery to find that her stone (to me it looked like a miniature Washington Monument) overturned in the mud, weeds, and other stones. My son, Mr. Hirsch and a neighbor of his, stood it up and this was final proof that "when the Lord wants me to know, I'll know" (that is a statement I frequently make that drives my son mad) because on the side of her tombstone were the names, birth and death dates of her parents...

I look forward to meeting you and attending a meeting of the Genealogical Society.

FROM MAVIS H. POLLOCK, TIFFIN, OHIO -

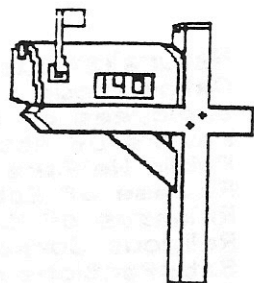

...I am delighted to have the marriage record of Maria Oblenis and Charles Deady confirmed and date corrected from the not too clear record in the family Bible. The photocopy you sent me was from the combined records of the Tappan and Clarkstown Reformed Dutch churches but noted that you said the marriage was at the Tappan Church. From the baptismal records (thanks again) of Maria's siblings it seems that the Oblenis family was associated with the Clarkstown church. Was it the custom then to be married in the bridegroom's church? The notation that Charles Deady was "of Tappan" is a helpful bit of information as it is the first record of him I have so far found anywhere.

...I will look forward to the newsletters...

FROM MR. JAMES B. DANIELS, HOUSTON, TEXAS-

...I am very grateful for the extract from Cole's "History of Rockland County", because I'd heard of that book but had been unable to consult it...

I'm sending along to you some information concerning another of my lines, Hause and Wood, who lived in Rockland County in the eighteenth century. Around 1800 William and Martha Hause and some of their children went west and settled in Stauben County. There is a history of the family of William Hause and Martha Wood, written by Mrs. Gregory around 1970. There is a copy of the family group sheet on the parents of William Hause that I prepared. Also a copy of a family group sheet on the same

page 31

persons, prepared by Mrs. Gregory. Re: the birth date of William Hause, she evidently had trouble distinguishing between a "3" and a "5". Not surprising in old script. There is a cover letter by Betty Ferguson, who located the group sheet done by Mrs. Gregory. The family of Martha Wood is described in two articles in "The American Genealogist: TAG" Vol. 39 (1963): Bertha Clark, "Rhode Island Woods on Long Island." "TAG" Vol. 43 (1973): Matthew Wood, "Joseph Wood, Blacksmith, of Hempstead and Kakiat, New York."

As a follow-up of this meeting, on OCTOBER

COUNTY CLERK'S OFFICE. Mrs. Altieri again  
gave a brief review of all the records  
available. In particular, she pointed out  
the locations of the indexes to the  
deeds, explained how to use them, and  
where to find the mortgagor and  
mortgagee books.

Deed records are available from 1798 in  
handwritten volumes. There are also three  
books of Orange County deeds (before  
Rockland became a county dating from  
1703. Future deeds will be available for  
viewing at the office and on computer  
printouts. Mrs. Altieri explained the  
computer system and how to search for  
deeds and get a printout. At the end of  
each day, backup copies of the new deeds  
are made to prevent loss of information in  
case of power failure. A complete set of  
all records are in safe storage in  
upstate New York.

New York State Census records are  
available in handwritten book form for the  
years and townships:

After the presentation, the members were  
invited to search in the records for as  
long as they wished, over one hour, and  
were very pleased with the results of  
their searches.

The Clerk's Office does not have anyone  
available to do research. The Society  
would like to make this services available,  
but no one has volunteered to tackle the  
job. If you find you now have free time  
during the office hours, and would like to  
search records for members, please  
contact your genealogy researchers, Pat  
Kerner, Leslie Baisley, or Marie Koestler.
