President's Message

The other day I ran into a member who was very happy to receive our June Newsletter. She couldn't wait to get home to see what she could find in the newsletter about her family. Later it occurred to me, why don't our members send in queries about the "brickwalls" encountered in their searches? All it would take to have "Brickwalls" in the next newsletter would be an e-mail to: ffreeman@aol.com or a note to: **GSRC Editor, PO Box 444, New City, NY 10956**. Then I wondered what clues this person had in her files which would help breakdown a "brickwall" for someone else? So again, if you have Bible records which could help someone, please send them to the GSRC Editor. I've asked several people to send information that our members might find interesting. Sue Schwinn has sent a list of websites that she found to be useful. Barry Brooks sent information on the DAR and SAR. Karen Lamberton wrote about an upcoming item on the website called the, "The Scrapbook", and Sally Pellegrini sent information on the new digitized newspaper, The Rockland County Messenger.

We are currently working on cemeteries in the towns of Stony Point, Haverstraw and Orangetown. We have found in many of the older abandoned cemeteries unmarked fieldstones rather than headstones. If you know of any family member who was buried without a headstone, please contact me so their name can be added to our yet to be published books.

Also, we are in the process of copying church records which can be included in upcoming newsletters. Imagine opening the newsletter and finding your great grandmother's maiden name and her parent's names under a baptismal record! As president, I will try to get as much information as possible in our newsletter and upcoming book publications but I need your help.

Les Baisley
President

by

Alan Aimone, Chief of Special Collections,
US Military Academy, West Point, NY

Program Presented at the Sept. 23, 2008, Meeting of the Genealogical Society of Rockland County

Synopsis of the program and the handout prepared by Sally Pellegrini, New City Library: Sources: Budke, G.H. 1976. *Rockland County During the American Revolution, 1776-1781*, New City, NY: Rockland County Public Librarians Assoc. Rasnick, Marvin. "Staunch Patriot: Ann Hawkes Hay," *South of the Mountain*, vol. 23, no. 4 (Oct-Dec 1979) 7-8, 12-13.

Two regiments of militia were formed in Orange County South of the Mountains Haverstraw Precinct; one under the command of Col. Abraham Lent (22 Dec 1775), one under Col. Ann Hawkes Hay (16 Feb 1776.). The regiments were consolidated under Col. Hay on 28 May 1778. He had served from 1777-1778, 1781, and resigned 01 Jan 1783.

The Haverstraw regiments, or lower Orange (south side) area were headquartered at Orange-Town.

1777

September: The Militia guarded the west shore of the Hudson River including Clarkstown, Kakiat, Short Clove and Long Clove.

1778

January-April: Watched the west shore of the Hudson River.

May: Guarded the south end of Orange County, cutting off supplies going to the British in New York City. Scouting patrols were routinely dispatched from Smith Clove into New Jersey to keep an eye on the British posts at Paulus Hook (Jersey City).

June-October: Watched from Sneden's Ferry to Kings Ferry (Stony Point); headquartered in Clarkstown.

September: Followed British troops that had attacked (massacred) a portion of the Continental Army; Col. George Baylor's Dragoons bivouacked in six barns and out-buildings along Overkill Road (now River Vale Road).

1779

February: Detachment at Kings Ferry (Stony Point) to work on the blockhouse, redoubt, palisades, and barbette. Trees were cut for a field of fire to surround the defensive works.

NOTE: A barbette is a platform or mound within a fort to permit firing over the parapet.

March: Muster roll was 459 and in June - 429 men.

July: A detachment sent to the Battle of Minisink was defeated.

October: Estimated only 300 men on the muster roll.

1780

April: Troops were raised from Orange and Ulster Counties for the defense of the counties; they rendezvoused at Nyack.

August: 100 men on the muster roll at Tappan.

October: Men were assigned to Soldier's Fortune on the rocky crest west of West Point.

December: Levies were detached for service in the Continental Army

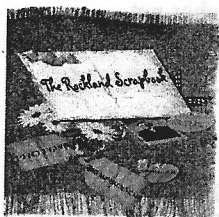

NOTE: Levies - men recruited by the 1st, 3rd, and 5th New York Continental Line Regiments to make up the short-fall of soldiers. The Levies were usually in service for less than the duration of the war.

Non-commissioned officers and privates got a bounty of twenty dollars. Land grants to Line officers and soldiers: a captain - 300 acres; a lieutenant - 200 acres; ensigns - 150 acres; each non-commissioned soldier - 100 acres for their Continental service.

1781

February: General Washington directed the men to be ready to assemble the regiment in Haverstraw and send a detachment to the pass at the entrance to the Clove, near Suffern, and to other mountain passes.

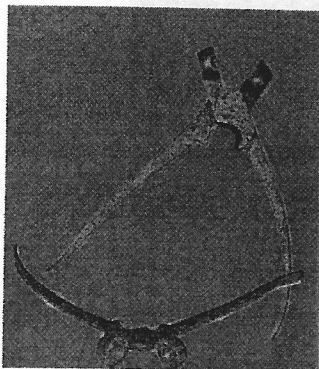

March: Troops were garrisoned at the block house at Sneden's Landing.

The Rockland County Scrap Book

The Rockland County Scrap Book will be for-ever a work in progress. Within its pages, we will display photos and short reminiscences of current and former Rocklanders in order to give anyone interested in the history and culture of our county a taste of our heritage. So, pull up a chair, pour a cup of coffee, and enjoy! Do you remember when.....

Bullet Mold

Bullet Mold - this little appliance would have been found in any colonial Rocklander's kit bag. It was filled with molten lead, allowed to cool, and then the lead ball was tapped out of the mold and finished by "nipping" of the tail of lead that was the last drip of liquid metal in the pour hole of the mold. The tail was usually saved and added to the next batch. This mold belongs to K. Lamberton of Suffern, NY.

Rockland Scrapbook - I have received an old recipe that is at least 4 generations old in one of our member's families; photos of several towns in Rockland county prior to 1900; a photo of a member's great grandmother's tea cup which illustrates what kind of designs were popular around the mid-1800s; and other goodies not to be divulged yet! If you have a "memory of Rockland," perhaps a paragraph about how you played with your friends without TV, video games, iPods, etc., (do you know how to play Cock 'o' the rock?), pictures of the county before 1955, photos of family antiques or memorabilia which illustrate how Rocklanders lived, worked, or enjoyed themselves (no outhouses, please) scan them and send them by email to: karen.lamberton@spyrail.net and I will get our webmasters in gear to get them up. All items will be credited to the contributor.

So, as you are preparing for winter, chasing dust bunnies out from under the bed, dragging down that box from the attic and you don't remember what's in it, straightening up the knick knacks and china closet, keep an eye out for possible contributions. Thanks in advance for your interest, articles, and "what's its".

President's Message

The GSRC Board hopes that you enjoy this enlarged issue. We will be presenting more Birth, Marriage & Death dates as they become available. Again, I'm asking that you please help us with any Bible records or Obituaries from newspapers of local Rockland County residents. While it's always nice to find something in this newsletter that helps you with your genealogy, you may have just the thing that someone else needs that would help them. Ancestor tables have introduced distant cousins that helped further each others research.

If you have any material that you are willing to share, please email me at:

ANCESTOR TABLES

In order to increase interaction between members, the society will continue to publish Ancestor Tables submissions, which are brief listings of the ancestry of members. It is hoped that members will find distant cousins who share common lines, which will further the research efforts of us all. All members are encouraged to submit their Ancestor Tables to the Ancestor Table Editor, Bob Protzmann, 4 Ethel Drive, New City, NY 10956-6328, or by E-mail, in WORD, or .txt format to Protzy41@optonline.net.

PLEASE NOTE: - The accuracy of information presented in Ancestor Tables is the responsibility of the submitters, and not the responsibility of the Genealogical Society of Rockland County. Please do not submit information that is not documented. If there is any uncertainty, the information should be marked with a "?" Anyone who desires further information, documentation, or has questions or additional information, should contact the submitter at his address given at the head of the Table.

Additional data should be sent to the submitter, and copied to the Ancestor Table Editor, at the address noted above. We will publish comments and corrections, etc., in the Ancestor table Forum.

The numbering system used is as follows: The first person on the list is number 1. Each ancestor's father is twice that person's number. Each wife is one number higher than her husband. If all ancestor's were known, then all numbers would be used. When an ancestor is unknown, the number is skipped. The number in parentheses after each generation is the number of ancestors in that generation. A (♦) indicates the last known ancestor in that line. A (*) indicates that the individual occurs more than once in the ancestry, ** indicates the second listing for the individual.

New York State Archives

For the period of a year or more, GSRC members: Joan Brooks, Marie Koestler and Maryann Smith made regular trips to the NYS Archives in Albany to copy the indexes of the BMDs held there. Some help was also provided by Joe Montelione and Bob Protzman. We were moving right along when winter came and weather too frequently interfered and then we were really stymied by the gasoline crisis. Hence, were at least temporarily, put out of business. We had been searching the microfiche specifically for the residents of Rockland County towns and villages. The information provided a certificate number or license or registration number along with name, date of event, and township. In some instances this data is sufficient for our needs, but when the full document is required, this index information completed on the State's form, will save you both time and money to procure the document. Your request will not need to go on the bottom of a pile which may reach the top a year or more later and no one will have to go through the records searching for the name(s). You are just providing information that you obtained from the Albany NYS Archives. Please see form and Instructions on pages 29 and 30.

FROM OUR MEMBERS

Dear GSRC Editor,

I read the President's Message in the September 2008 Newsletter about brick walls. My brick wall is for my ancestor Jacob Conklin b.1763 in Orange County, probably in the area that is now Rockland County. I have sent this same Bible record to the Orange County Genealogical Society for their Newsletter.

This Jacob Conklin Bible information was printed in two issues of the DAR Magazine (I do not have the Bible). I have printed the bible record exactly as it was printed in the DAR magazines, but I have discovered some corrections in my research of the family.

I have shared the detailed information of my Jacob Conklin line with descendants of the Armstrong family who have posted the details on-line, so this Jacob Conklin information is available when searching WorldConnect for example.

My Brick Wall is the location of Jacob Conklin b.1790 in Orange (Rockland) County prior to 1820 when Jacob Conklin and father James and brother James (Jr) b.1800 moved to Owego, Tioga, NY. Jacob married Joanna (AKA Johanna) Armstrong, from Florida, Orange, NY, on Sept 10, 1814 - location unknown. James and his sons were all wagon makers - residence unknown. I believe that James (Sr) had other children between 1790 and 1800 who remained in Orange County after 1820. I am hoping publishing this Jacob Conklin Bible record in your next newsletter might help other Conklin researchers with their brick wall, and might help me with mine.

This CONKLIN Family Bible information, has been printed in the DAR Magazines in December 1984, pages 786-788 and March 2000, pages 174-180. DAR Magazine has said that they do not know who submitted this information.

MEMORIAL REMEMBRANCE TO LETCHWORTH RESIDENTS BURIED ANONYMOUSLY

A Bronze Memorial plaque was placed at the Old Letchworth Village Cemetery, Call Hollow Road, Thiells in August. The State plans to hold a memorial dedication in the spring of 2009. After many months of searching the records for names to go with the 910 small T-shaped metal markers with numbers, Jacqueline Ferrara, ombudsman for the Hudson Valley Developmental Disabilities Services Office, has succeeded. The names that go with the numbers are listed on the plaque in rows in the order of the deaths of these former Letchworth residents.

"Those Who Shall Not Be Forgotten" is written on the plaque in an attempt to atone for the past wrongs. In addition to the names of those buried from December of 1917 through 1967, there are six former residents buried on Cheesecote Mountain in Haverstraw from 1914 to 1917. The site is unknown and unmarked.

Senator Thomas Morahan introduced the legislation that allows the OMRDD to release the names and dates of birth and death of any patient who lived in one of the states facilities for the purpose of inscribing a headstone.

People with developmental disabilities and mental illnesses, orphans, the homeless and those deemed unmanageable were sent to Letchworth during most of the 20th century. In many cases, parents hid the fact that they had a child with disabilities; they did not let other members of the family know about the child. They were told to bring them to Letchworth and forget about them.

Thanks to Miss Ferrara, the 910 people buried at the old cemetery at Letchworth are now remembered by name. For more information; people with questions about a family member should call the state Office of mental Retardation and Developmental Disabilities, information line at 866-946-9733 or 866-933-4889.

MEMBER NEWS

"True Politeness. Handbook of Etiquette. For Ladies. By An American Lady - 1854"

Charter Member Mrs. Tom Dater (Joan) of Mahwah, NJ, has reprinted "The Etiquette Book of 1854."

The original copy of the book was given to Mary Dater Ryerson as a young woman. Prominent in the Civil War politics of Ramsey, the Dater's lived downtown and had their general store at the Plaza parking lot, later in the building that now houses Brady's. The Dater Mansion once stood at the strip that houses Krauser's and adjacent stores on East Main Street.

The book gives insights into how Ramsey residents went about their daily loves and what expectations they had for each other. It sheds light on a time when elegance and grace were the order of the day. How local residents conducted themselves has much to say to our current, local culture.

The reprint is published by the Ramsey Historical Association to honor Ramsey's Centennial. Copies (\$10.00) are available at Syder Agency, Station Plaza, Nu-Smile Dental on South Island Avenue, and at THE OLD STONE HOUSE during its open houses

The Rockland County Scrap Book

The Rockland County Scrap Book will be forever a work in progress. Within its pages, we will display photos and short reminiscences of current and former Rocklanders in order to give anyone interested in the history and culture of our county a taste of our heritage. So, pull up a chair, pour a cup of coffee, and enjoy! Do you remember when.....

The Pleasure Palace in Haverstraw

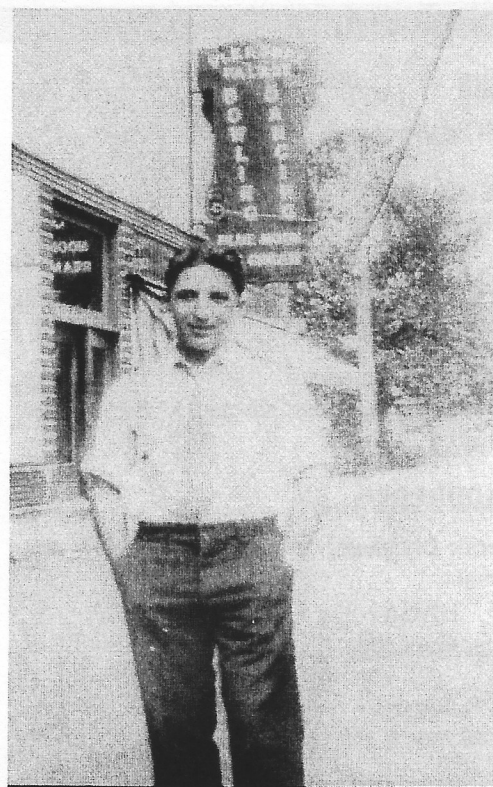

No, I wasn't there for the opening, but as soon as I married my wife Ginny, I started hearing from my mother-in-law Emma Gizzi Dube about the Pleasure Palace. How her father Generoso Gizzi and his brothers had opened and operated the Palace from 1929 to the early 1940's. I asked, what did it look like, what kind of events took place, and did anyone have a picture? We asked family members about pictures, but no one could ever remember seeing a one. While attending Sisto Gizzi's 75th birthday party, I asked the emcee to ask if anyone at the party had a picture of the Pleasure Palace. Mary Sebastian Bouniovanni said she had two pictures. The next week she dropped them off to Emma. The pictures were of the ice cream parlor with Mary Gizzi Chirico, Generoso's sister, at the counter. Though we were very excited to receive the pictures, there was nothing denoting the name "Pleasure Palace".

After Several years of searching, while attending a wake at T.J. McGowan Sons Funeral Home, Inc., we spied it. There, displayed along the walls, amongst the many pictures of local people was a picture of Benedict Tuciarone standing outside and under the "Pleasure Palace" sign. After years of searching, we had finally found it!

PALACE BIG PROGRAM

GIZZI BROTHERS PLANNING PROGRAM FOR HAPPY NEW YEAR EVE DANCE – "SONNY" MORAN TO SING

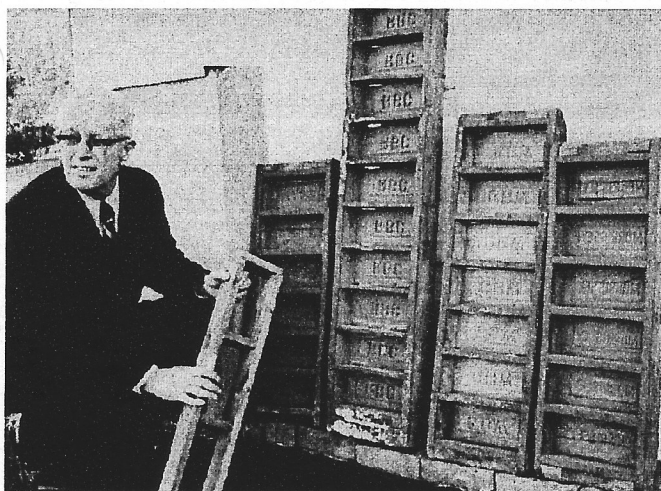

The biggest social event being planned for the New Year celebration is the arrangements being perfected at Haverstraw's new Pleasure Place, the Mecca of all terpsichorean devotees, when a mammoth dance under the mirror globe will be held New Year's Eve, Tuesday, December 31st.

The eight Burket radiolians will officiate. Besides, there are billiards, bowling, lunches, refreshments and sweets.

According to the announced program, there is to be dancing every Sunday evening. An elaborate program of week day events has also been announced by Mr. Joseph Gizzi who says positively that "Sonny" Moran the radio artist and singer will appear and render vocal selections.

"Sonny" is to appear this Saturday night and also New Year's Eve and Mr. Gizzi wants the Times to say positively there will be no disappointment. "Sonny" will appear positively Saturday evening, December 28th and Tuesday evening December 31st.

Be sure to check out the interview of Daniel DeNoyelles by Robert Burghardt that will be in the scrapbook on our web site. Mr. DeNoyelles wrote the book *Within These Gates* which can be purchased from the Haverstraw Brick Museum.
